

Site	Ship name	Date sunk	Date found	Country	Position	Description of relevant finds	Remarks
ANG-001			20-Sep-03	Mozambique	Mafamede Island	Steel wreck circa 1900's	Observation only
ANG-002	Na Sa da Guia	10/8/1721	27-Sep-03	Mozambique	Moma Island	1 bronze cannon, 5 anchors and 18 iron cannons. Gold and silver coins recovered	Observation and pre-disturbance survey
ANG-003			1-Nov-03	Mozambique	Caldeira Island	6 anchors, several pieces of lead, boat shaped lead ingots, copper ingots	Observation and pre-disturbance survey
ANG-004	San Antonio	1512	1-Nov-03	Mozambique	Santo Antonio shoal	2 ancient anchors and a scattering of ballast stones	Observation and pre-disturbance survey
ANG-005	Bredenhof	6/6/1753	17-Nov-03	Mozambique	Silva shoal	15 iron cannons, 5 anchors, lead rolls and ingots, iron bars, copper coins (VOC 1752)	Observation and pre-disturbance survey
CAD-001			11-Nov-04	Mozambique	Vadiazi shoal	13 iron cannons, several cannon balls, lead shot, lead sheathing and ballast stones	Observation only
IDM-001			15-Mai-01	Mozambique	Ilha de Mozambique	Stone ballast pile in a sandy bottom, some wood structure	Observation and pre-disturbance survey
IDM-002			30-Mai-01	Mozambique	Ilha de Mozambique	2 bronze cannons, ballast stones and a cargo of chinese porcelain recovered	Total excavation of defined area(s)
IDM-003	N.S. da Consolação	1608	3-Jul-01	Mozambique	Ilha de Mozambique	Stone ballast pile, lead ingots, silver coins and olive jars. Large wood structure remaining.	Total excavation of defined area(s)
IDM-004			4-Jul-01	Mozambique	Ilha de Mozambique	Small ballast pile and some wood remains	Observation only
IDM-005			4-Jul-01	Mozambique	Ilha de Mozambique	Small ballast pile	Observation only
IDM-006			6-Jul-01	Mozambique	Ilha de Mozambique	Small stones ballast pile, no other sign of wreckage	Observation only
IDM-007			24-Fev-02	Mozambique	Ilha de Mozambique	3 concentrations of ballast stones in an area of 10000 m2. 14 kg of gold recovered	Limited area excavation and detailed survey
IDM-008			30-Abr-02	Mozambique	Ilha de Mozambique	Small round ballast in a low flat pile.	Observation and pre-disturbance survey
IDM-009			30-Abr-02	Mozambique	Ilha de Mozambique	Clipper Ship, possible from ends of XVIII century	Observation only
IDM-010			18-Jul-02	Mozambique	Ilha de Mozambique	XIX century ship with a cargo of gin bottles., charcoal, and various goods.	Total excavation of defined area(s)
IDM-011			5-Sep-03	Mozambique	Ilha de Mozambique	Scattered ballast. Green glass bottles (c. end of 1700's)	Observation and pre-disturbance survey
IDM-012			26-Mar-04	Mozambique	Ilha de Mozambique	3 groups of medium to big size ballast stones, some scattering in an area of 80 x 40m	Observation and pre-disturbance survey
IDM-013			4-Abr-04	Mozambique	Ilha de Mozambique	Ballast stones, wood structure, olive jar fragments, lead shot, lead sheathing, etc.	Observation and pre-disturbance survey
IDM-014			13-Abr-04	Mozambique	Ilha de Mozambique	Ballast stones, wood structure, iron rudder pintle, lead sheathing, etc.	Observation and pre-disturbance survey
IDM-015			29-Abr-04	Mozambique	Ilha de Mozambique	XX century ship, no archaeological interest	Observation only
IDM-016			31-04-08	Mozambique	Ilha de Mozambique	Wood structure, 2 iron grapnels.	Observation only
IDM-017	Santa Teresa	25/07/1622	7-Jun-04	Mozambique	Ilha de Mozambique	10 iron cannons, ballast stones, hull structure, coarse ceramic shards, etc.	Observation and pre-disturbance survey
IDM-018			28-Jun-04	Mozambique	Ilha de Mozambique	5 iron cannons, ballast stones scattering.	Observation only
IDM-019			19-Mai-07	Mozambique	Ilha de Mozambique	Small anchor lying over medium size ballast stones. Covered by a 0,5 meters layer of mud, sand and seashells, at a water depth of 6 meters in medium tide.	Observation only
IDM-020	Sao Bento	27/12/1642	20-Mai-08	Mozambique	Ilha de Mozambique	One large anchor, ballast stones, lead sheathing, lead shot and various pieces of iron scattered in the area. 10 silver coins recovered in reconnaissance	Observation and pre-disturbance survey
IDM-021			5-Ago-09	Mozambique	Ilha de Mozambique	Wood structure, copper nails, bricks as ballast, no ballast stones.	Observation only
IDM-022			14-Ago-09	Mozambique	Ilha de Mozambique	Scattering of artefacts on the seabed, ballast stones, 1 silver coin, Martaban fragments, one sword.	Observation only
MOG-001	NªSª Madre Deus e S.José	1802	9-Jul-02	Mozambique	Mogincual shoal	100 iron cannons, copper pins. 44 gold coins recovered on limited excavations.	Limited area excavation and detailed survey
MOG-002			1-Dez-03	Mozambique	Infusse Shoal	1 anchor, 1 iron cannon	Observation and pre-disturbance survey
MOG-003	Sao Jose	24/06/1622	27-Sep-04	Mozambique	Infusse Shoal	4 bronze cannons, 5 iron cannon and 8 anchors. Approximately 25000 silver coins recovered during excavation.	Limited area excavation and detailed survey
MOG-004			7-Ago-07	Mozambique	Lunga bay	Steel wreck in a muddy bottom at 16m depth, near the beach, extensively plundered. Circa 1900's	Observation only
MOG-005			7-Ago-07	Mozambique	Lunga bay	Wide scattering of smallish ballast stones in an area of app 300m right on the beach. More survey needed, mainly with magnetometer.	Observation only
NAC-001	S. Antonio e Almas	1789	9-Dez-03	Mozambique	Crusse Island	2 iron cannons and ballast stones mound	Observation and pre-disturbance survey
NAC-002	Thert		13-Out-04	Mozambique	Quissimajulo	Ballast stones mound. Fragments of coarse pottery and many bricks, wood structure	Observation and pre-disturbance survey
NAC-003			18-Out-04	Mozambique	Pinda bank	1 iron cannon, 1 anchor, ballast stones pile, fragments of martaban jars and ceramics.	Observation only
NAC-004	S. Joao Baptista	1826	19-Out-04	Mozambique	Pinda bank	Ballast stones, wood structure, roof tiles cargo.	Observation only
NAC-005			19-Out-04	Mozambique	Pinda bank	3 piles of ballast stones. Bottoms and necks of green glass bottles.	Observation only
NAC-006			20-Out-04	Mozambique	Pinda bank	Large scattering of massive amount of ballast stones	Observation only
NAC-007			20-Out-04	Mozambique	Pinda bank	A ballast stones mound underneath a modern steel wreck	Observation only
